Count in 2s

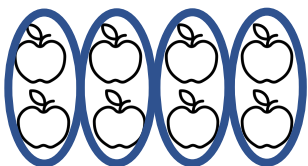

Count in 5s

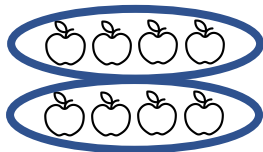

Count in 10s

Make equal groups

4 equal groups with 2 in each group

2 equal groups with 4 in each group

5 equal groups with 3 in each group

5 equal amounts of 5 pence

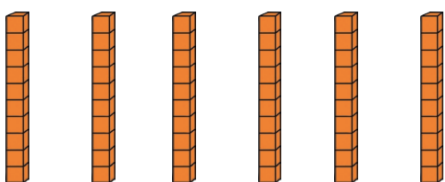

## Add equal groups

$$5 + 5 + 5 + 5 = 20$$

$$2 + 2 + 2 + 2 + 2 = 10 \text{ wheels}$$

$$10 + 10 + 10 + 10 + 10 + 10 = 60$$

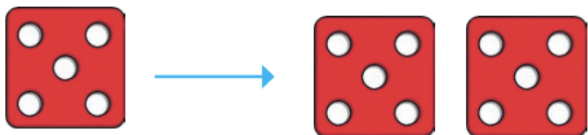

## Doubles

Doubling is the same as adding the same number again or multiplying by 2.

Double 1 is 2

$$1 + 1 = 2 \quad 1 \times 2 = 2$$

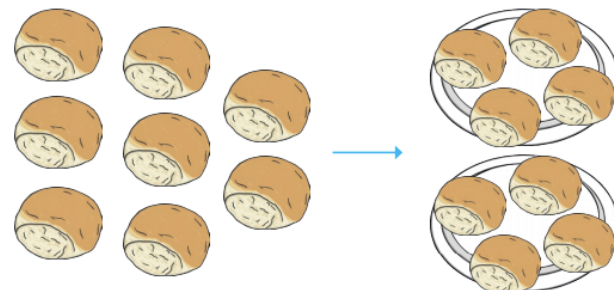

Double 5 is 10

$$5 + 5 = 10 \quad 5 \times 2 = 10$$

## Share equally

Share the buns equally between the 2 plates.

8 buns shared between 2 plates makes 4 buns on each plate.

## Make arrays

There are 2 apples in each row.

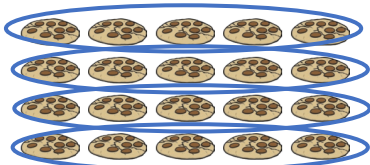

There are 3 rows.

$$2 + 2 + 2 = 6$$

There are 6 apples altogether.

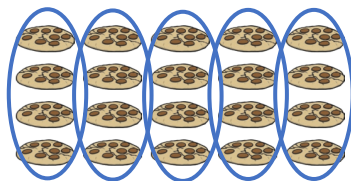

There are 5 cookies in each row.

There are 4 rows.

$$5 + 5 + 5 + 5 = 20$$

There are 20 cookies altogether.

There are 4 cookies in each column.

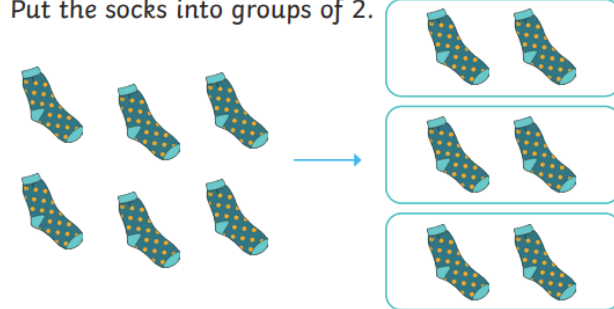

There are 5 columns.

$$4 + 4 + 4 + 4 + 4 = 20$$

There are 20 cookies altogether.

## Group equally

Put the socks into groups of 2.

6 socks put into groups of 2 makes 3 groups.
