

### Estimate Addition Calculations worksheet

1. Which of these calculations give an answer of about 500?  314 + 278 103 + 415 278 + 131 465 + 182	2. Which of these calculations give an answer of about 600?  372 + 231 319 + 229 117 + 593 131 + 317	3. Which of these calculations give an answer of about 800?  712 + 235 427 + 231 297 + 325 435 + 357	4. Which of these calculations give an answer of about 1000?  807 + 296 143 + 978 82 + 1007 405 + 597	5. Which of these calculations give an answer of about 1200?  814 + 253 446 + 756 978 + 312 523 + 596
6. Which of these calculations give an answer of about 1500?  756 + 747 623 + 576 1225 + 261 925 + 403	7. Which of these calculations give an answer of about 2000?  1600 + 200 400 + 1900 1300 + 700 1500 + 1500	8. Which of these calculations give an answer of about 3000?  1500 + 1075 2050 + 960 1025 + 1750 750 + 2200	9. Which of these calculations give an answer of about 4000?  2314 + 1219 1294 + 3213 3011 + 1012 2410 + 1056	10. Which of these calculations give an answer of about 5000?  2345 + 2675 1350 + 3450 2085 + 1800 2345 + 3160
11. Which of these calculations give an answer of about 2500?  1243 + 2217 1183 + 1335 261 + 2731 1705 + 87	12. Which of these calculations give an answer of about 3500?  2137 + 1124 2900 + 598 1004 + 2016 908 + 2268	13. Which of these calculations give an answer of about 4500?  2290 + 3265 4301 + 189 1355 + 3810 96 + 4267	14. Which of these calculations give an answer of about 7500?  4562 + 2120 2305 + 5280 1520 + 5063 3748 + 5330	15. Which of these calculations give an answer of about 10000?  9001 + 1056 1039 + 7836 4463 + 5531 7892 + 2114
