Calling all new to school parents. Come and join us for a cup of tea and a chat on Wednesday 8th November at 2pm

<i>Templars</i>	%
School uptake Flu season 2022	39.9%
School uptake pre covid	73.2%
Target uptake for area	70%
Best uptake in area	74%
Lowest uptake in area	10.9%

It is not my job to encourage you or not to vaccinate your child, but I wouldn't want anyone to miss out if they did want their child to be vaccinated next term. The link to the portal to consent to the Flu jab will be open until midnight the 5th November and at the moment only 33% of you have taken up the offer, which is just 195 out of the 613 cohort. If you are struggling to know what to do, please contact the office on the email above or see Mrs Davies on the side gate most mornings and evenings. Those parents who have already consented, DO NOT need to consent again.

I don't want to scare you but when we come back, we will be practising the Nativity! Have a lovely break everyone, Mrs Benarous

Your support for your child's education is crucial to their progress. Please tell us if there are any adjustments we need to make to help you support your child, for example: letters in large font; letters in different languages; wheelchair access; explaining things over the phone; a discussion with a school colleague of the same gender.

Parenting support in CoventryThe Positive Parenting Team provide a wide range of parenting support for all Coventry families. This may be for families planning ahead who are experiencing no difficulties, to families who are experiencing day to day difficulties with relationships, behaviours, feelings or confidence.

They organise and coordinate programmes for parents and carers in Coventry. These are accessible for all parents, carers, grandparents, foster carers, connected persons and special guardians. All programmes are free and we offer limited crèche support for some group programmes.

The programmes can be accessed face-to-face at various venues across the city or virtually via Microsoft Teams. Parents can [make a request for a programme](#) or a professional can refer on their behalf.

The Health for Kids website provides public health information to children in a format that is child friendly. The website offers games and activities, especially for primary school-aged children to access themselves. It has a section for parents/carers, where they can access public health news, guidance and service information and more. We upload our newsletter to this site and all our previous newsletters can be found here too. The site is regularly updated and works best when accessed via google chrome. [Health for Kids](#)

Parents/carers, young people and professionals can find vital public health information, advice, tips and updates on events and services available to children and families on our social media accounts. We share local activities i.e. Family Hub timetables during school holidays and events hosted by the local council as well as create our own research based, professional content.

These are updated regularly and managed Monday's – Friday's (excluding bank and public holidays).

Support for Families

Dear All,

I would like to thank you for your assistance in filling out our application forms and distributing the returned vouchers to the children in school.

Below are the dates for receiving applications for the new school year. It would be appreciated if you could adhere to these deadlines, (always the Tuesday before our committee meetings that week), so that we can process the applications before the full committee, quickly and efficiently in order to send the vouchers out to the schools as quickly as possible.

1st Meeting—TUESDAY 19th September 2023

2nd Meeting—TUESDAY 21st November 2023

3rd Meeting—TUESDAY 6th February 2024

4th Meeting—TUESDAY 7th May 2024

Late applications will be held over until the next meeting.

May I also remind you that all applications should be sent by post to:

Mr P.R.H. Hancock (Hon. Sec.)
446, Westwood Heath Road,
Coventry
CV4 8AA

Please do not address them to David Moorcroft as he is the Patron of our charity and is not involved in the everyday workings of the charity.

You may photocopy the application forms, but when you return them to me, I only need the front page with the child's details, in A5 form. I will send some extra forms out to you after our first meeting in September. If you do run out before then, please ring me on 02475 014244 and I will send you some, by post or email.

We are at present receiving more than the normal number of applications and we do rely on donations, so if you have a charity event, please remember us.

PRH Hancock (Hon. Sec.)

The new scheme called Coventry Energy Fund is designed to help those who:

- Live in Coventry
- Have a combined gross household income of less than £30,000 a year
- Have no household savings
- Have someone living with a vulnerability (such as a long term health condition like COPD; pregnancy; disabled and in receipt of DLA or PIP or in receipt of free school meals). There is some discretion to this part of the scheme so it's well worth checking to see if you qualify.
- Applicants will be required to provide evidence of their customer account with their energy or water provider
- Local energy advice charity, Act on Energy, is administering the scheme and you can apply online.
- You can also call the freephone advice line for more info on 0800 988 2881.
