Message from the Headteacher

SEND coffee afternoon – open to all

Join us on **Monday 4th December**

2:15pm in the Library

Focus: Louisa McGivney from the Complex
Communication Team and Clare Antczak
from Educational Psychology

Please join us for a drink and a chat - we
look forward to seeing you all.

This really is too good to miss and is open to **all parents**- the chance to speak to a trained Educational Psychologist is a rare opportunity. Worried about anxiety, not wanting to come to school, poor attention, struggling to learn, dyslexic tendencies in the family? Please come along and feel supported.

Then on Wednesday, please stay behind at drop-off to make the most of a visit from Mosaic Hub worker, Helen Mansell who has a wealth of local knowledge and connections to support families. Joining her are two representatives from the police who have kindly offered to come and listen to your worries, concerns and wishes for our community and neighbourhoods.

Maths in the Primary School

A free Family Learning course for parents at Templars

Have you ever wondered what the children learn in maths, and how you can help? Come along to a free 8-week course for parents to develop your confidence in maths, and in using maths with your children.

This friendly, informal course is for parents / carers with children from Reception to Year 6.

We will:

- Explain the maths methods used at [Templars](#)
- Learn maths phrases your children use in school, such as 'partitioning' and 'place value'
- Provide you with games to take home and play with your [children](#)
- Give you a cup of tea and biscuits!

Where: in school – please come to the main office
When: 9-11am Thursdays, starting 18th January for 8 weeks
To find out more contact: Ms Benarous or kate.steventon@coventry.gov.uk
To book a place: return the slip to school.
There are just 12 places so be quick!
Assume you have a place unless you hear from us

If you can't make this course look out for our online courses on coventry.gov.uk/adulted

I would like a place on the Templars / Family Learning 'Maths in the Primary School' [course](#)
assume you have a place unless you hear from us

Looking forward to next term, I have persuaded the team to come back and offer Templars parents a new topic - ever wanted to know how we teach maths and how to support your child? Many of us struggled at school with Maths and don't want to pass on our fears to our children. Come along to the group here at Templars and gain confidence in a warm, friendly environment and visit classes in action in school too. Suitable for parents with children in all year groups starting with early counting, place value and ending up at formal methods.

Please support these initiatives so that I can gain more support for you!

Now, can anyone help us? We desperately need nearly-new pants, socks and tights, aged 3-7. Accidents happen!

See you on Monday!

Mrs Benarous

Parents – are you aware that we have arranged to use the parking facilities at the Lime Tree Club for you to be able to drop off and pick up your children with ease? The car park is much bigger than it looks from the roadside. If you use this area, please remember to set your children a good example and take the few extra seconds to walk and use the School Crossing Patrol.

PRELOVED Uniform Sale

1 - Tuesday and Wednesday after school

Your support for your child's education is crucial to their progress. Please tell us if there are any adjustments we need to make to help you support your child, for example: letters in large font; letters in different languages; wheelchair access; explaining things over the phone; a discussion with a school colleague of the same gender.

This website offers online courses for parents of children with ASC. They are free courses and they vary from anxiety, supporting siblings, autism and the whole family and much more. There is also an online support group as well as other really good resources.

Safeguarding our Children

School Nursing

In order to respond to the high demand of referrals, we are facing. We are offering free parental information sessions. The sessions we currently hold are on sleep/toileting/behaviours/fussy eating

and anxiety awareness. Please see the links below to book on to sessions, these can be shared with parents. We will include new dates on our Newsletter, which is distributed throughout the year. All children which are referred to us for one of the highlighted areas will be asked to please attend a session whilst they are on the waiting list and may be declined if they do not engage. Parents will be sent the links below along with a QR code. Parents are then able to see all available sessions and select the one they wish to attend. Where there are known difficulties accessing technology, we ask the school to please support parents with being able to join the sessions.

Parenting support in CoventryThe Positive Parenting Team provide a wide range of parenting support for all Coventry families. This may be for families planning ahead who are experiencing no difficulties, to families who are experiencing day to day difficulties with relationships, behaviours, feelings or confidence.

They organise and coordinate programmes for parents and carers in Coventry. These are accessible for all parents, carers, grandparents, foster carers, connected persons and special guardians. All programmes are free and we offer limited crèche support for some group programmes.

The programmes can be accessed face-to-face at various venues across the city or virtually via Microsoft Teams. Parents can [make a request for a programme](#) or a professional can refer on their behalf.

<https://www.coventry.gov.uk/children-families/positive-parenting>

The Health for Kids website provides public health information to children in a format that is child friendly. The website offers games and activities, especially for primary school-aged children to access themselves. It has a section for parents/carers, where they can access public health news, guidance and service information and more. We upload our newsletter to this site and all our previous newsletters can be found here too. The site is regularly updated and works best when accessed via google chrome.[Health for Kids](#)

Parents/carers, young people and professionals can find vital public health information, advice, tips and updates on events and services available to children and families on our social media accounts. We share local activities i.e. Family Hub timetables during school holidays and events hosted by the local council as well as create our own research based, professional content.

These are updated regularly and managed Monday's – Friday's (excluding bank and public holidays).

Support for Families

Dear All,

I would like to thank you for your assistance in filling out our application forms and distributing the returned vouchers to the children in school.

Below are the dates for receiving applications for the new school year. It would be appreciated if you could adhere to these deadlines, (always the Tuesday before our committee meetings that week), so that we can process the applications before the full committee, quickly and efficiently in order to send the vouchers out to the schools as quickly as possible.

1st Meeting—TUESDAY 19th September 2023
2nd Meeting—TUESDAY 21st November 2023
3rd Meeting—TUESDAY 6th February 2024
4th Meeting—TUESDAY 7th May 2024

Late applications will be held over until the next meeting.

May I also remind you that all applications should be sent by post to:

Mr P.R.H. Hancock (Hon. Sec.)
446, Westwood Heath Road,
Coventry
CV4 8AA

Please do not address them to David Moorcroft as he is the Patron of our charity and is not involved in the everyday workings of the charity.

You may photocopy the application forms, but when you return them to me, I only need the front page with the child's details, in A5 form. I will send some extra forms out to you after our first meeting in September. If you do run out before then, please ring me on 02475 014244 and I will send you some, by post or email.

We are at present receiving more than the normal number of applications and we do rely on donations, so if you have a charity event, please remember us.

PRH Hancock (Hon. Sec.)

Coventry City Council funds Act on Energy to provide a variety of support for Coventry residents. The work covers a wide range of services from energy bill advice, fuel Switching, referrals for physical measures, grant availability and onwards referrals to other agencies if appropriate. To access the funding residents should be owner-occupiers of a property or people living in private rented accommodation and **must have** a long term diagnosed health condition or disability affected by living in a cold home. Financial circumstances are also a consideration – there is a range of income thresholds dependent upon the number of people who live in the property. We can also offer expert advice and support to anyone living in Coventry. Funding is available for:

- External wall insulation
- Cavity wall insulation
- First time gas central heating

- Broken boiler replacement
- Inefficient gas boiler
- Loft insulation
- Upgrade or repair of electric storage heaters

For more information and eligibility criteria you can visit the [Act On Energy website](#).

Early Help

Early Help is a partnership of organisations that provide help, advice and support to children, young people and families.

The aim of Early Help is to help you as soon as possible and prevent problems from getting worse by providing you support, as early as possible. Early Help services can help families, children and young people - pre-birth to 19 years old and 25 years old where there are special educational needs or disabilities.

An NHS graphic with a teal background. On the left, there are two stylized children: a boy with red hair in a blue suit and a girl with dark hair in a school uniform. On the right, the NHS logo is at the top. Below it, a dark box contains the text '9 out of 10'. Underneath that, it says 'unvaccinated children can catch measles if someone in their class has it'. At the bottom, it says 'Check your child is up to date with their MMR vaccinations'.

'Measles is highly infectious and can be passed on even before the rash appears.'

'Make sure your child is protected from becoming seriously unwell.'
