Message from the Headteacher

Good morning!

A slimline newsletter from now on in response to some constructive feedback from parents as we continue to improve on communication. Thank you to those parents who came to last week's Community Event - look forward to future events in the new year with even more providers. We are looking forward to seeing many of you over the next few weeks and the children are very busy preparing for the many Be Our Guest events coming up. Make sure you check the dates below, to ensure you don't miss out.

Your support for your child's education is crucial to their progress. Please tell us if there are any adjustments we need to make to help you support your child, for example: letters in large font; letters in different languages; wheelchair access; explaining things over the phone; a discussion with a school colleague of the same gender.
