Message from the Headteacher

The Parent Forum - This Tuesday please come along after drop-off at 9am, before collection at 2pm or after work at 5.30pm. We will be discussing reward and recognition but are happy to go off on a tangent!

Safer Internet Presentations - Next Tuesday. We feel the need is so massive in our school for parents and pupils, Mr Starbuck is giving an evening presentation for parents on the 6th February so more parents can attend. There is also a morning drop off event, with different content, so if you can, come to both. If there is one event you don't miss, please make it this!

Costco, are regular sponsors of Templars and they have once again kindly donated over 60 backpacks to Templars Primary School. We will be choosing the two classes with the highest attendance

for the last two weeks of this short half term to receive this very popular prize. My Year 6 advisors have just said, 'You've got to be in it, to win it!'

The Coventry Children's Boot Fund is a fantastic charity that supports families in need, by funding a pair of school shoes for one child per family per year. If you are struggling financially and need some support, please pop into the office to pick up an application form. The **deadline for this round of applications is 31st January**, so don't delay.

Following recent **parking** issues outside of Templar's School, we are asking parents to think carefully about where they park their vehicles when dropping off and collecting their children. We are extremely lucky to have 2 parking areas at Templars (on the school grounds and at Lime Tree Park Club) and we would be grateful if these could be used. If parents can keep the areas around school clear it will provide better visibility for those who are crossing the road to get to school.

Hello from your Ocean Friendly Schools Club

We hope you have had a good start to 2024. At the beginning of the Spring term we submitted our evidence for the first stage of the award and are nearly ready to submit the evidence for the second stage.

We have completed some research into how microfibres from our clothes end up in the ocean.

We have found out that:

- 73% of clothes when they are washed lose microfibres.
- Around 3 million microfibres come off clothes every time a wash is completed.
- Research from our clothes showed the most popular material was polyester.
- 69% of clothes are made from synthetic fabrics.

- 63% of shrimp in the North Sea contain synthetic fibres.

So what can we do about it?

- Wash clothes at 30°C.
- Buy clothes made from biodegradable materials.
- Only wash your clothes when needed!
- Buy a washing machine with a filter fitted (all machines made after 2025 will have them fitted by law).
- Fill your washing machine up.
- Let your clothes air dry instead of using the tumble dryer.
- Reduce you spin speeds.
- Reduce how long you wash your clothes for.
- Reuse, Recycle, Repurpose and Reduce the clothes you buy. Rent or borrow clothes if you are only going to wear them once.

Help us reduce microfibres,

Matab, Makin, Robert, Eva, James, Hossana, Harijaga and Esmee – your Eco Warriors.

Your support for your child's education is crucial to their progress. Please tell us if there are any adjustments we need to make to help you support your child, for example: letters in large font; letters in different languages; wheelchair access; explaining things over the phone; a discussion with a school colleague of the same gender.
