Message from the Headteacher

Thank you to all those who came to the Be Our Guest events and Parents Evenings over the past few weeks. As Spring term comes to a close, I would like to wish you all a restful break and Happy Easter!

Do you struggle with your child's behaviour? Does parenting feel like harder work than it should be? Do you struggle to connect with your child? The Family Learning team from Coventry City Council are running a free course at Templars called Positive Family Foundations for you. **Positive Family Foundations** is a nurture-based parenting programme based on understanding how children and their carers interact, and what children need to help them thrive. Pop to the office, pick up a form and start after Easter.

Wraparound Childcare Survey 2024

Calling all parents of children in Reception to Year 6

Tell us your views about before and after school childcare provision and you could win a £25 voucher!

The survey closes at midnight on Friday 22nd March.

Link to complete survey:

www.coventry.gov.uk/wraparoundsurvey

This survey is being undertaken by Coventry Early Years Business, Sufficiency and Funding team.

Kind offer from our community: I am looking to give away my late husband's **Yamaha baby grand piano** to a passionate instrument lover, so let me know if you will take it or have someone who will care for it.

If you would like me to put you in touch with the donator, just email admin and let me know.

Your support for your child's education is crucial to their progress. Please tell us if there are any adjustments we need to make to help you support your child, for example: letters in large font; letters in different languages; wheelchair access; explaining things over the phone; a discussion with a school colleague of the same gender.

Are you the parent or guardian of a curious and enthusiastic 5-8 year-old child?
Are they keen to learn a new skill?
Or do they have a skill they're good at and would love to share?

Production company Common Story are back with a second series of the CBeebies peer-to-peer learning show 'I Can Do It, You Can Too' with presenter Aaron Roach Bridgeman.

We're looking for children with a broad range of interests and hobbies - sports, circus skills, dance moves, nifty playground tricks, cool football skills, or anything in-between! Maybe they want to learn or teach wheelchair tennis, boccia, goal ball, dodgeball, or something else!

If so we'd love to hear about activities and skills that your child is keen to learn or teach. If you think your child, or a child you know, would be interested in taking part email us on:
