Message from the Headteacher

"Moments matter, attendance counts"

A huge thank you to everyone who has contributed to our brilliant Careers and Aspirations Week and to Mrs Wall and Mrs Cole who organised a week full of trips and visitors; the Police and Fire Brigade, Warwick University, TECHSHECAN, Severn Trent, KAHOOT Robotics tour, Tile Hill Library, Vicki Stott on working for a charity, HADO, a professional footballer and so many parents with a huge range of inspirational experience who gave up their time for our pupils. We learnt so much, however, the staff all agree, working at Templars is the best job in the world!

1 - Reception made some very cheerful thank you cards for all the staff who have jobs that help them.

We thank you, Reception!

Please tell us if there are any adjustments we need to make to help you support your child, for example: letters in large font; letters in different languages; wheelchair access; explaining things over the phone; a discussion with a school colleague of the same gender.

“From the first day of term to the last, the small moments in a school day make a real difference to your child. #AttendanceCounts”

Attendance: the top facts to know & share

MOMENTS
MATTER.
ATTENDANCE
COUNTS.

The link between attendance and attainment is clear:

- In 2018/19, just 40% of persistently absent (PA) children in KS2 achieved expected KS2 standards, compared with 84% of pupils who regularly attended school.
- 36% of PA children in KS4 got 9 to 4 in their English and maths GCSEs, compared with 84% of regular attenders.¹

And it's never too late to benefit from good attendance:

- More than half (54%) of pupils who were PA in Year 10 and then rarely absent in Year 11, passed at least 5 GCSEs, compared to 36% of pupils who were persistently absent in both years.²

But attendance is important for more than just attainment:

- Regular school attendance can facilitate positive peer relationships, which is a protective factor for mental health and wellbeing.³

Attendance in the first week of school in September sets up attendance throughout the year (and it's time to start preparing for back to school now):

- Evidence from a Children's Commissioner report showed that children who miss one of the first few days of the new term for unauthorised reasons are much more likely to miss long periods of their schooling than their peers who attended those first few days. These children had a predicted overall absence of almost 45%, or 31 days across the term.⁴
- In the 2022/23 academic year, of those who had at least one day of absence in the first week of term, 55.5% went on to be persistently absent.⁵
