### Message from the Headteacher

Good morning,

During this past week the children demonstrated excellent respect during our assemblies and silences on Remembrance Day in memory of the armed forces and civilians of all wars - they learnt that they too are civilians! Odd Socks Day took place and then of course the Pudsey fest for Children in Need - the office are totting up how much we made.

There is a lot of good going on this next week at Templars too. On **Tuesday at our 2.00pm Community One Stop Shop**, a range of professionals will be here in the library to provide **free support and advice** on a whole range of issues that affect children, adults and families. Tea, coffee and biscuits will be supplied of course!

On **Wednesday**, Mrs Dean and I will be running a special **reading raffle for Yr 3 and 4**. There will be prizes - both individual (Christmas presents?!) and for a winning class. Timings are at 2.30pm and 5.30pm (to support working parents) and all attendees will be given raffle tickets (no cost). We will be also sharing some top tips for reading, targeted at this particular age group. Great for those who are struggling to read and those who are flourishing. Mrs Dean has giveaways too which may make homework less of a battle and really support your child's reading ability.

On Thursday, Mrs Davies and the **Year 1 teachers will be running demonstration Phonics lessons** for you to join. Come and see your child in the classroom and watch what they can do! You will be able to ask questions and seek advice at the end of the session.

We are working as a staff on matters raised in the recent Parent Forum - jobs and responsibilities for pupils, and communication platforms being the main areas. I will report back soon on the improvements we will make in response. Meanwhile, if you have a passion for school improvement, please consider becoming a Parent Governor - we are particularly looking for people with a financial and or HR background. Come and have a chat with myself or Mrs Ferguson to find out what is involved.

And finally...

**Boys pants!!**

**We have a shortage of spare boys pants, if you have any primary aged children especially boys, who have clean, good condition pants they have outgrown please can we have them.**

Enjoy your weekend,

Mrs Benarous

## Op Sceptre - Tackling Knife Crime

This week officers across the force will be intensifying efforts to reducing knife crime and getting weapons off the streets. You can help us do this.

How you can help reduce knife crime in your area...

If you see something suspicious or know of any gang activity, get in touch today  [Report a crime | West Midlands Police](#)

You can report anonymously through Crime Stoppers by calling 0800 555 111 or visit <https://crimestoppers-uk.org/give-information>

Talk to your child or young people about the dangers of carrying a knife. Carrying a knife for protection is not a valid reason for the police. It actually means you're 51 per cent more likely to have it used against you. Visit <https://lifeorknife.west-midlands.police.uk/>

Dispose of old knives correctly. Wrap them in puncture proof plastic or cardboard. You can hand them in to your local police station, place them in a weapon surrender bin, or even pop them in your refuse bin wrapped securely and labelled 'Caution: Sharp'.

You can find your nearest weapon surrender bin here <https://bit.ly/3MaQAQH>

Learn more about knife crime and the laws around carrying a weapon. We have created a dedicated educational space for our #LifeOrKnife campaign, click here to learn more <https://lifeorknife.west-midlands.police.uk/>

Follow your local police social media accounts to keep up to date with the latest advice and information.

Remember in an emergency, call 999.

All non-urgent crime can be reported via our website or by calling 101.

'The games have helped make phonics fun. I am amazed by how much my son can do!'

**Did you find school difficult, interrupted or not as happy as it should have been? Do you want things to be easier or better for your children? Are you anxious about helping your children? Are you new to the country or went to school abroad yourself?**

No worry is too small and here is a great opportunity- it's free, it's here at Templars and run by a friendly expert who can help you, help your children with their learning. It's open to all parents, carers and family members (grandparents) of our pupils. Drop off and stay on a Monday morning - we promise a warm welcome and a cup of tea or coffee too!

The course does not start until January but we really want you to sign up now so we can plan a space in school, based on numbers.

## Parent Support

**PARTICIPANTS NEEDED** 

**Exploring the experiences of children and young people affected by parental imprisonment.**

**Who can take part?**

- I am looking to interview children and young people aged 8-18 years who are attending an educational setting in Coventry.
- I am looking for children and young people who have experienced having a parent/carer in prison now, or in the past.

**Why take part?**

- My research hopes to improve the support for children and families who have experienced parental imprisonment
- I am hoping to identify strengths and positive experiences of individuals and what professionals can do more of.
- I will provide signposting to resources and information that has been created by charities to support families.
- Your child will receive an Amazon voucher for up to £10 to thank them for their time.

**What will happen if my child takes part?**

- The session will last up to an hour and take place either at your child's school or a local authority building.
- We will play some card games and have a chat to get to know each other.
- Your child will get to choose a fake name so that when I write up what we talk about they cannot be identified.
- I will ask them some questions about school and family life including things that they are good at, enjoy and things that helped or didn't help when their family member was in prison.
- We will make a timeline of their life so far.

**If you want to take part or want more information, please speak to your school/college SENCo or email Elenya or her University supervisor.**

## Online Parenting Courses - Family Lives

Being a parent has never been easy. There are no manuals for it, and previous generations may not be able to provide the insight you're looking for. The family unit is more dispersed than ever, with some families existing hundreds of miles from what may be called a 'core unit'. The rapid pace of societal change in the UK rapidly outstrips the knowledge of the immediate past. The result is that many parents may find themselves lost in a maelstrom of contradictory advice. For adults, time has never been more compacted. Family Lives has produced a series of online parenting courses, to make this challenge a little easier. If interested please follow the link below:

<https://www.familylives.org.uk/how-we-can-help/online-parenting-courses>

Family Lives offers a confidential and free\* helpline service for families in England and Wales (previously known as Parentline). They can be contacted on **0808 800 2222** for emotional support, information, advice and guidance on any aspect of parenting and family life. Their website is also a rich source of useful support and advice.
