### Headteacher's Messages

We have ended on a high this week with two great events in one day. Our first ever World Number Day has been a great success with record breaking challenges across the school. The children had so much fun, especially in assembly with Miss Mclean and Mr Al-Ramadani who attempted to eat a huge pile of brussel sprouts in under a minute. Mr Elayne and Mr Meakins, were luckier with a pile of smarties to eat, although they had to use a blindfold and a fork.

Pupils have been busy with their own challenges: Ameilia and Carys in IKF were telling me how they had to see how many socks they could put on in 30secs. They also had to guess how many sweets were in the jar. Alex won and was given the chance to share them with everyone or keep them for himself. Of course he chose to share! Bella and Grace 6L said their favourite bit of the day was when the whole class cheered their classmates on who were lining up as many bits of pasta as they could in a minute and also the Brussel Sprout challenge. Isaac 4H loved the physical challenges, and was up for more - challenging me to laps in the hall! Thank you to after school club for their contributions to the newsletter.

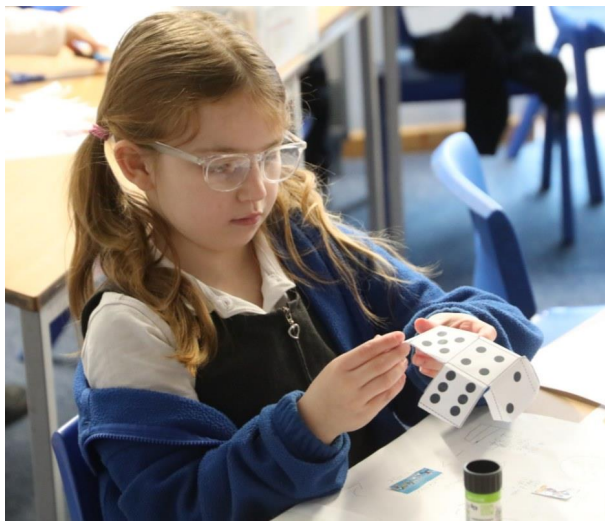

Even better, we have raised £320.80 for the NSPCC!

1 - Assembly fun

2 - Busy!

3 - Focussed

4 - Game for a laugh

5 - Proud

The second event was the Opal Open Day - our chance to explain the mud! Roughly 70 parents attended - thank you for your support. The pictures speak for themselves!

6 - Today's showing is *The Dog Man* movie!

Next week is Internet Safety Week. Children will be having lessons throughout the week and creating a question-and-answer e-safety page for the school website with each class answering a different question about internet safety. Staff will be having training on cyber security. Please make time for the online workshop shown here - the content is so important for keeping your children safe. Last week our PCSOs delivered assemblies to Year 5 and 6 - some of the answers given by our pupils, were worrying. The workshop is free, on at 12pm and 5.30pm but I believe recordable so if you sign up, you can watch in your own time.
