

# Templars Primary School

## Newsletter 4.7.25

Date: 4th July 2025

Email: [admin@templars.coventry.sch.uk](mailto:admin@templars.coventry.sch.uk)

### Headteacher's Messages

This week the brand new Templars Community Centre was officially opened by Coventry hero, Zain Mckenzie from the Coventry Blades Ice Hockey Team!

The day began with the Junior Leaders who were the very first pupils to use our purpose built cookery stations and at the same time joined 15000 other children in an online cookery lesson with Jamie Oliver in an official record breaking attempt. They are waiting to hear if they did it!

We were then joined by representatives from many organisations from across the locality, all of whom plan to hold regular sessions here at Templars for parents, carers and children. Finally, thank you to all those parents who joined us, especially to those lovely, caring parents who provided an array of delicious food to share with the community.

We are asking you now to spread the news and make sure you come when we publish the timetable of services in September.

*1 - Record Breakers!*

*2 - Reaping the rewards!*

## HEADTEACHERS AWARD 2024-25

**Apologies for the mix up last Friday - we were taken short on staff. If you think you or your child missed out, please let your class teacher know and come along for our final assembly next Friday.**

Each week staff select a winner per class for achievements, stand out improvement, demonstrating our school values and or great learning behaviours. The winner brings home their certificate and then, on the following Friday, they take part in a celebration tea with Mrs Benarous. At 3pm on that Friday, parents can come, join in the fun and then leave a little early as a special treat. While the work is being done on the new Community Centre, the assembly will take place in the school hall - please come to the main reception.

1KF Zack for knowing one more and one less to 15

1S Aaron for his positive attitude towards learning

1S Piper for her wonderful contribution during carpet time

1P Alexis for his fantastic effort across all his learning and his marvellous manners

Coventry CV1

Free hands on Plumbing Workshops to be offered to children with an EHCP in Coventry as part of government funded HAF project.

**Coventry, UK — 12 June 2025** — This summer, Plumb Learning invites children aged 8 to 16 to dive into an unforgettable series of hands-on workshops that blend practical plumbing skills with fun, creative STEM activities. Launching on **Tuesday, 22nd July** and running throughout the summer holidays in CV1, Coventry, the programme offers more than just summer fun—it's designed to ignite curiosity, build confidence, and open doors to future opportunities. By introducing young people to valuable trade skills early on, the initiative aims to support social mobility and help close the growing skills gap in the UK workforce.

Designed to ignite interest in practical trades and science-based learning, Plumb Learning's workshops are all about *doing*. Children will explore plumbing basics, take part in exciting STEM projects, get active outdoors—and even make their own lunches!

"We believe learning should be inspiring and practical," said a spokesperson for Plumb Learning. "Our small-group format ensures that every young person gets dedicated attention and the freedom to explore, create, and achieve in a safe, inclusive space."

Each session is led by experienced facilitators who encourage creativity, teamwork, and resilience. From using professional tools and materials to create, install and test pipework to dressing and hanging radiators, kids will walk away with valuable real-world skills and a sense of accomplishment.

**Spaces are limited**, and workshops are expected to fill quickly. Parents and guardians are encouraged to book early through the **Eqqu booking system** to secure a spot.

# Hearing Screening Clinics for Reception Children

Did you know your child is entitled to a free hearing test whilst they are in reception class? Here are signs that may indicate hearing difficulties:

- Not responding when called
- Speaking very loudly
- Frequently asking for repetitions or responding inappropriately
- Increasing volume on devices
- Appearing to daydream
- Slow to learn or unclear speech
- Frequent frustration or aggression
