Last year, partner organisations across Coventry and Warwickshire made a commitment to commission high-quality autism services and support for adults, children and young people launching a new **[five-year All-Age Autism Strategy](#)**. A significant funding package of £10m over two years was agreed to reduce the backlog of assessments, deliver timely diagnostic assessment, and deliver improved pre-assessment and post-diagnostic support for children and adults. Since the launch of the strategy, the information available for neurodivergent people and their families living in the area has improved with the publication of a comprehensive e-booklet providing a range of information all in one place. **The**

COMPLEX COMMUNICATION TEAM

Coventry Complex Communication Team will be delivering a series of 5/6 free workshop sessions aimed at parents and carers of children and young people on the Autism spectrum and with complex communication needs.

Each session will be delivered virtually through Microsoft Teams and presented by a specialist practitioner in the field of Autism and complex communication needs. There will be a series of sessions focusing on a range of topics, which include:

- **Week 1- Thursday 15th June 2023: Understanding your child and their Autism**
- **Week 2 – Thursday 22nd June 2023: Supporting your child with self-care and independence**
- **Week 3 – Thursday 29th June 2023: Supporting your child and their sensory processing differences**
- **Week 4 – Thursday 6th July 2023: Supporting your child and their behaviours**
- **Week 5 – Thursday 13th July 2023: Supporting your child with their learning**
- **Week 6 – Thursday 20th July 2023: Supporting your child with transitions**

The aim of each session will be to:

- To raise an awareness of how Autism/CCN affect your child
- To develop a shared understanding of some of the challenges that our children face, and the strengths they can bring
- To increase your confidence in understanding and supporting your child
- To build up a bank of ideas and strategies that can be used to support your child

All sessions are 4.30pm-5.45pm. Whilst we appreciate you may not be able to attend every session due to work/family commitments; the expectation is that you **must** attend week 1 as this provides the foundation for the remaining sessions, and that you are able to commit to at least three of the following sessions. There are weekly advice clinics that accompany each session, where you have an allocated slot to ask specific questions relating to your child.

Please email BSCLimbrickWoodCentre@coventry.gov.uk if you wish to attend any of these sessions. You will receive MS Teams invitations for each individual session.
