**Odd Socks Day** 

**MONDAY 14<sup>TH</sup> NOVEMBER**

Bullying affects millions of lives and can leave us feeling hopeless. But it doesn't have to be this way. If we challenge it, we can change it. And it starts by reaching out.

Whether it's in school, at home, in the community or online, let's reach out and show each other the support we need. Reach out to someone if you need to trust if you need to talk. Reach out to someone you know is being bullied.

And it doesn't stop with our children. From teachers to parents and influencers to politicians, we all have a responsibility to help each other reach out. Together, let's be the change we want to see. Reflect on our own behaviour, set positive examples and create kinder communities.

So, this Anti-Bullying Week, let's come together to reach out to stop bullying.

Check out the Anti-Bullying pages on our school website during the week for the latest work and photos, and some great advice for parents and pupils who are concerned about bullying.

## Every Child, Every Day, Every Chance

**this week:** Speak Out and Stay

Safe was the message of our assembly on Monday. This was about how to stay safe by telling a trusted adult—someone who is over 18 like an uncle or aunty.

We learnt that it does matter to speak out because I thought you could stay safe without speaking out but you can't.

We learnt about different types of abuse—it's crazy how some kids go through this. Kids have rights and they don't deserve to get hurt or bullied.

I find it easier to write on paper because you can't get the words out when you are talking.

I remember the phone number for children to ring Childline 08001111. They showed us how to remember with hand movements. We could teach the number to people who needed it.

Thank you to Grace Yr4, Lauren Yr5 and Blake Yr1 for their wise words.
