After the success of our Sports Days, with their carnival atmosphere, Mrs Croyden has been working hard behind the scenes to showcase our first Summer fayre for years!

This Friday, you will be invited to collect your children from 3pm. When you collect from classes, please take a slow walk round the one way route and wait either at the front of school or on the Nursery and Key Stage One playground. The fayre will be opened just as soon as staff can be released to man the stalls.

Please help us by bringing lots of change to spend rather than notes. Again please help us by **NOT TAKING PHOTOS OR VIDEOS**. We have to safeguard all children and you wouldn't know, but we have children here for whom it is not safe to be filmed. You would not want to put any child at risk.

Popcorn...Bouncy Castle...Raffles...Water into Wine...Money Tree...Candy Floss...Face Painting...Nail Art...Cake Stall...Tombola...Slushies...Beat the Goalie...

Thank you so much for all your donations—they are being carefully stored for Friday!

Every Child, Every Day, Every Chance this week:

I am Charlie from 6DH. This year I will be leaving Templars.

I was In the Bumble Bee group in Nursery with Mrs Kennedy. I remember my first day was when I came in with toothpaste all round my face. I made a lot of friends and I loved football - so did all of my friends.

My favourite teachers are Mrs Stables. Mrs Rigley, Mr McLaren, Mrs Dunkley and the Head teacher but not Mrs Rollings (just joking!) They are my favourite because they are fair and fun and just good teachers in general.

The funniest moment in school happened when one day in Year Six, I could not stop laughing when my friend Rhys kept making me laugh by pulling faces at me. My friends are just so funny. I think the friends that I have made at Templars will be friends for life.

My worst day was when I had a fall out in Year Five with best friends Jacob and Cohan. It was when we all had a big fight, but they are still my best friends forever! Sometimes teachers worry about fighting but we always make up.

My best day ever at Templars, was when we had Dominos and pop corn because we were good. The film that we watched was Ice Age and it was really funny and we also got extra break time. I can't forget about Dol-y-Moch, it was so adventuring and so fun. I recommend all Year Fives to go.

I do not want to leave because it has been fun for these 7 years and I don't want to leave because I don't know anyone from Westwood. Mrs Benarous has made me say YET!

Just three weeks of term left and it is a nervous time for many as our guest writer this week indicates. As much as Year Six try to show us they are ready to leave, we are keen to show them that each and every one of them will belong to Templars forever!

Our new parent events have been a huge success so far and the new format is working well. This week, parents of those moving up into Year One are welcomed on Wednesday evening. We are conscious that many of these parents will not have been inside Templars at all! Come along and meet us.

I have to announce that we will not be running Holiday Club this Summer due to lack of numbers. We apologise for any inconvenience and have informed all those who had shown an interest.

Community Help:

Mrs Croyden is hoping to relaunch our PTA and is seeking volunteers. Anyone who is interested can email on: PTA@templars.coventry.sch.uk

Mrs Croyden will be holding the first meeting in September to share plans for 2022-23. More information to follow.

Mrs Davies and I are conscious that a number of community letters were sent out last week with important information of events and activities in the community. Please look back and make sure you have not missed any opportunities.
