Breaking news—put it in all the papers! The drought is over! Templars girls' football team are WINNERS! Templars has won its first sporting trophy in NINE years and I am bursting with pride! 30+ schools took part in the School Games Girls Football Year 5/6 Competition. We didn't lose a match and are now through to the county finals in July to compete against others from the whole of Coventry and Warwickshire.

Congratulations to Nora, Maia, Charlotte, Destiny, Olivia, Skyla, Sophie and Chloe.

Mr Emms tells me that the secret to their success is of course teamwork—the girls listen to each other, encourage and congratulate each other, never bicker or blame each other and take advice well. A lesson for the boys perhaps but I have to say, I saw lots of the boys being very caring and respectful by congratulating the team too.

A huge thank you to Miss Mclean for organising and inspiring, Mr Emms for coaching and Mrs Weller for driving the minibus and supporting, along with some great parents and carers.

As if that news isn't enough, we have attracted lots of attention across the city this week with our inclusion in the Drone Show—now I have been contacted by a local radio station. Listen out for more information!

We had a fantastic response from our community for Careers Week with over 30 different speakers in school.

The vocabulary, conversation and work outcomes have been of a really high quality—who knew we had so many aspiring engineers, bus drivers and paleontologists!

## Every Child, Every Day, Every Chance this week:

**I had the best time of my life at Young Voices!**

**When me and my class arrived at the venue, I looked around and it was colossal. Lots of different schools had arrived with their custom made banners and we even had one too. The conductor, Greg, was really good at explaining everything to us and we had no problem understanding. While we ate our lunches, we got to watch Urban Strides rehearse and one of them did an astonishing flip at the end of the song.**

**We did all the songs without words and surprisingly I got them all correct. I was very proud of myself. When they played the song, 'We don't talk about Bruno,' I danced my heart out!**

**In my opinion, I highly recommend for anyone to go to Young Voices if you have the opportunity as it was the best experience of my whole, entire life. If I had the chance, I would go again.**

Do you sometimes feel that your children are one step ahead of you with technology? So many of us are worried about our children's use of the internet on phones, game devices and computers. A considerable amount of time is taken up in school sorting friendship, bullying and sometimes serious safeguarding issues arising from their use. Please see the flyer below from the local police who are giving **free** webinars this Thursday and Friday on how to be safer. It is very easy to sign up and sessions are in the day and evening.

Finally, I must remind you all that Coventry City Council has allowed schools an additional Bank Holiday to celebrate the Queen's Platinum Jubilee and therefore we are closed this Friday.

Have a safe and very happy Half-Term break, hopefully with some good weather for us all.

## Community Help:

**Can you help? We have not had many offers to help carry tables back into classes on Thursday, Jubilee Day, at 2.30pm.**

**Mrs King in Reception has kindly offered to organise a collection for the charity below. They are looking for clothes for age 5+ in particular. Please bring in your donations this week and the week after half term.**

We're really short of children's clothes.

Are there any schools in Coventry who would host a collection for us? We could come with van the morning of collection and take clothes as they come in to stop you being over run.
