

Templars Primary School Newsletter

Dear Parents and Carers,

The first week back after the half term break has flown by and we are already in March! Please take a moment to look at the wonderful learning that has taken place this week at Templars on the twitter feed.

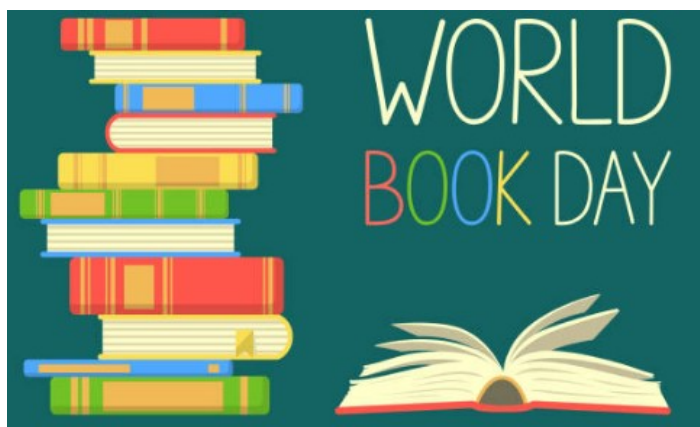

We have had some super events in school including reading sessions for our Reception parents and an inspiring visit from Alison Cope who talked to the year 5 and 6 children and their parents about keeping safe online and in the real world.

A team of year 4 children went to Coventry Young Ambassador Training at Woodlands and the year 6 classes visited Coventry cathedral. Our netball team competed in an away match and played brilliantly - although unfortunately we lost 7 - 4.

On Monday 7th March we are celebrating World Book day in school and the children are invited to come to school dressed as a favourite character from a book. The classroom windows will be decorated with our Alice in Wonderland theme display and we are looking forward to sharing these with you.

Have a happy and peaceful weekend

Mrs Biddell

 Delivering to year 5 and 6's in Coventry. Then speaking to parents about the subject of youth violence and the need to speak their children in an age appropriate way.
