

Templars Primary School Newsletter

Dear Parents and Carers,

Thank you to all our parents who attended the Bedtime Stories session on Wednesday evening. This is always a special event at Templars and it was great to see parents, children and staff getting together to have a good time.

Last week the Anti-bullying Ambassadors worked with a film company to produce a film about Bullying and you can now view this using the following link. It is a really impressive piece of work so well done to the whole team! <https://www.templars.coventry.sch.uk/anti-bullying-1/>

On Tuesday we had Safer internet day where the children spent time working on ways to keep themselves safe online. There is new information for parents on our website. <https://templars-primary-school.secure-primariesite.net/safer-internet-day-2022-1/> so please have a look and talk to your children about what they have learnt.

Our year 3 classes are supporting the Dogs Trust as their year group charity this year and they have had assemblies this week to meet some of the Dogs Trust Team and learn about how they can plan to help in the months ahead.

Mrs Biddell

Last Tuesday Templar's Students joined thousands of other schools across the nation to focus on E-Safety as part of Safer Internet Day 2022. Each class did activities based around key areas of keeping safe on the internet as well as explore this Year's theme of 'Respect and Relationships Online.'

Does Your Child Use Devices at Home? Here are some top tips to keep them safe.

Having conversations without judgement. Whether by playing games, watching videos, or doing things your child enjoys, spending time together online is a great way to start conversations about the online world and how they're finding being a part of it.

It is important to ask questions and take an interest in what your child enjoys online.

An essential part of having this open dialogue is to not judge, even if their behaviour or life online isn't what you wanted or expected. This ensures that your child feels they can come to you if ever they make a mistake or experience a problem online.

Knowing where you can learn more about their favourite apps and games. Websites like Common Sense Media or The Family Gaming Database can be invaluable sources of information. When your child starts talking about a new game or app, why not do some research into the reporting and blocking options available? Then you can help your child if they come to you with an issue.

Getting support if things go wrong. There are lots of organisations who are there to support you and your family if something has gone wrong. The [Report Harmful Content website](#) can help you with issues such as cyberbullying, impersonation and threats. You can report worrying behaviour towards children to [CEOP](#). Find out more on [Childnet's Get Help page](#).

Reassuring your child that whatever happens online, you are there to support them. Let your child know that the best way to address any problem they have online, is to tell a trusted adult immediately. For example, this might include someone sending them a friend request; an online message; telling them to visit a specific website, or app; or asking them for their personal information. Reassure them that if anything happens online that they are unsure about, or makes them feel worried or upset, they can come to you for help.

Please visit our website for further parent resources and advice and if you have a worry about a specific internet issue please get in touch with your child's class teacher who will be able to give you advice and further information.

Today in art with Miss Roberts, 1P learnt about primary colours and how we can blend them to create lots of new colours #art @TemplarsPrimary

Miss Driscoll
@driscoll_miss

We have been thinking about the question: is digital technology making children's lives better? Excited for our debate tomorrow 😊 #oracyintheclassroom #debate #SaferInternetDay2022

Miss Stuart
@Miss_KStuart

6S loved investigating the heart this afternoon as part of our science lesson! @TemplarsPrimary @MissNPryor

Hope Springs Church
@HopeSpringsCov

Year 3 classes at @TemplarsPrimary had an amazing time meeting Courteney, hearing about the wonderful work @DogsTrust do & learning how to be respectful & safe around dogs! 🐕

Excited to hear the ways you'll raise money for YOUR charity in the Summer Term 😊

#alwayshope

Mrs King
@ReceptionRK

Look at the amazing writing we have been doing in RK today, well done Jessica, Gracie, Taleigha, Sam, Austin and Sam.
