

Templars Primary School Newsletter

Dear Parents/Carers,

Today is our non-uniform day in return for a donation to the bottle tombola. Next week we will be holding the tombola and a raffle on the playground after school on Tuesday and Wednesday. The prizes for the raffle are looking very exciting with a range of hampers and Christmas goodies. The funds raised from these events will go towards equipment for the children in each year group.

We have had a couple of worrying incidents in and around the bottom car park when children are jumping out of cars on the drive or on the roadside in order to get into school quickly. Please could you try to stop in a bay before you let your children get out of the car to avoid accidents.

Thank you

There has been a change to the Christmas menu,.

 This afternoon, 4M created double page spreads of their Science learning about states of matter. I was particularly impressed with Edward's - he used brilliant scientific vocabulary and presented his learning beautifully @TemplarsPrimary @MissNPryor
