

# Templars Primary School Newsletter

Dear Parents and Carers,

Thank you to those parents who have begun to park in the Lime Tree car park. This has already had a huge impact on congestion at the front of the school each morning and afternoon.

We have had a busy week in school again. On Tuesday the Lord Mayor of Coventry came to visit Templars to present us with the prestigious Coventry Peace Award. He arrived in his chauffeur driven limousine and was met by some pupils who were able to ask him questions and even have a go at wearing his gold chain. He then had a tour of the school and presented the school with the award. In his presentation speech he said, "Pupils, staff and governors have demonstrated a real desire to promote anti-bullying messages and a caring approach to both manage conflict and ensure that the school is a welcoming and inclusive space for pupils, staff and parents/carers, and this has been generated out to include the local community. I believe the award is very well deserved!"

This week each of the Reception classes has hosted a parents' event called 'Chat, Play, Read' where parents and carers joined a reading lesson in school. After sharing the book (Super Duper You by Sophy Henn) the parents and pupils worked together to make Superhero cloaks and could then take the book and the cloaks home. We were also really excited that the author of the book heard about what we had done and has posted on our school twitter feed! We will be repeating these sessions every month for the rest of the year and are hoping that parents who could not attend this time will be able to join us again in November when we will be reading a different book.

Yesterday the Year 6 pupils left school for their overnight camping trip. Whilst at the site they were able to have a go at frisbee golf, climbing, orienteering, field games, hide and seek and other activities as well as enjoying a camp fire. Thank you to all the staff who supported this trip for our pupils.

Thank You  
Mrs Biddell

## Nearly New Uniform Sale Dates-

6th October - age 4-8 years

7th October - age 8-12 years

3rd November - age 4-8 years

4th November - age 8-12 years

1st December - age 4-8 years

2nd December - age 8-12 years

Donations - cash

Year6 'Roughing' It!

Helen Benarous  
@MrsBenarous

@TemplarsPrimary up time before our first morning activity!

Miss Morgan  
@MissMorgan4M

Fantastic Geography learning in 4M yesterday... Great retrieval of European countries (and Rome!) by Sophie. She even remembered Greece from Year 3! Rohey blew me away with her amazing positives and negatives about Rome's geography! 🇮🇹🇬🇷🇪🇺  
@TemplarsPrimary

Wow! Another Super Duper #chatplayread session this morning with RDT. Tomorrow is RKs turn.
