

# Templars Primary School Newsletter

Dear Parents and Carers,

We currently have a vacancy for a parent governor and I would like to invite applications for the position from any interested parents or carers with parental responsibility of a child in our school. Governors meet together as a Full Board 3 times a year at 5pm in school and there are additional committee meetings alongside this. If you are interested in finding out more please call the school and ask to speak to Mrs Ferguson who can let you know what is involved and how to apply. If we have more than one interested party we will hold a ballot of all our parents.

We are working hard behind the scenes to find some solution to the problems with parking at collection and drop off times. Meanwhile the police have agreed to put on extra patrols to identify illegal parking and I would ask all parents to be thoughtful and patient with each other so that this can be a stress-free time of day for us all.

The clubs register is now open and many clubs are already full! We have listened to parents and condensed the number of clubs onto fewer days so that a family with more than one child does not have to make too many extra collection trips when siblings have clubs on different days. We are hoping that this will mean even more children can attend a club. The clubs will change half-way through the year, where there will be a new selection to choose from.

@TemplarsPrimary we have had a really fun packed spark day today. The buzz from the children was audible. We hope they enjoy their pizzas

Before we started Spark Day, I asked 6S to recall everything we knew about British History. There was quite a lot, and some of us even managed to retrieve some of our facts from as far back as Year 1!

Perhaps just before lunch wasn't the best time to make pizza... 🍕😅  
Year 4 are loving their spark day for their topic A Slice Of Italy 🇮🇹
